

The blaugelb Window Handle series FGS 1758 Black Line made from aluminium stands for quality window features and timeless design.

blaugelb Window Handle FGS 1758 DK (push button) Black Line

Aluminium balcony door handle for wooden, plastic and aluminium balcony doors.

Product features:

The blaugelb Window Handle FGS 1758 DK Black Line made from aluminium is notable for its elegance and straight lines, and looks good on every window. It is always locked in its home position and can only be turned to open the window by pressing the push button. The surface finish imparts the window handle with its colour and rounds off the high-quality overall impression. It is supplied complete with pre-inserted fastening for the appropriate pin length with 10 mm positioning studs.

The elegant Black Line from blaugelb is designed in black and includes a coordinated product range with complementary pieces for all aspects of window and door fittings. It impresses with its high-grade appearance and a clear, modern design.

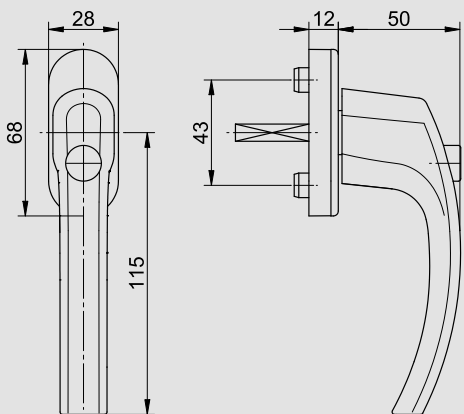

- High-quality, corrosion-resistant aluminium
- Powder-coated surface finish
- Can only be turned by operating push button
- Attractive and elegant on the window
- Concealed fastenings thanks to pre-inserted screws
