

The “all-purpose weapon” against dirt.

## blaugelb Organic Multi-Clean

All-round power for the removal of stubborn dirt.

### Product features:

The blaugelb Organic Multi-Clean is a water-based alkaline universal cleaner for removing stubborn dirt such as grease, oil, resin, wax, nicotine, pencil, ballpoint pen, felt pen, ink, algae, mould, soot, insects, bitumen and tar splashes, coffee and tea stains, shoe polish and much more.

The blaugelb Organic Multi-Clean cleans surfaces of metal, aluminium, copper, stainless steel, iron, tin, plastic, wood, rubber, stone, ceramic and porcelain, glass, paintwork, textiles, carpeting, upholstered furniture and many other materials.

Free of nitrioltriacetic acid (NTA). The blaugelb Organic Multi-Clean is highly concentrated and can be used diluted with water down to a concentration of 1:40. On aluminium and zinc surfaces, it is advisable to dilute to 1:30 or thinner.

- Contains readily biodegradable surfactants according to OECD criteria
- Cleans thoroughly and gently
- Highly concentrated
- Contains no phosphates
- Water-based

#### Details of constituents in accordance with EC regulation 648/2004:

Non-ionic surfactants	< 5 %
Anionic surfactants	< 5 %
Fragrance	

#### Hazardous constituents:

Butyl glycol	5-10 %
Fatty alcohol alkoxyate, polymer	1-5 %
VOC 1999/13/EC	5.0 %
VOC (CH)	5.0 %

#### Product benefits:

- Contains readily biodegradable surfactants according to OECD criteria
- Cleans thoroughly and gently
- Highly concentrated
- Contains no phosphates
- Water-based
- Non-flammable
- Non-abrasive

#### Technical data:

Basis:	Water-based
Colour:	Red
Consistency:	Liquid
Odour:	Fresh
pH value (at 100 g/l H <sub>2</sub> O):	Approx. 11.5
Density at +20 °C:	Approx. 1.03 g/ml
Temperature resistance:	From 0 °C to +97 °C
Processing temperature:	From +2 °C to +90 °C
Hazard class:	Water hazard class 1
Solubility in water:	In any ratio

Product name	PU	Item no.
blaugelb Organic Multi-Clean 1000 ml	10 pieces	0130397
blaugelb Organic Multi-Clean 10 l	1 piece	0130399
blaugelb Organic Multi-Clean 200 l	1 piece	9074101

#### Preparation and processing:

The blaugelb Organic Multi-Clean can be applied by hand to the surfaces to be treated. It may also be applied by machine, e.g. in wet extraction carpet cleaners.

Before application, especially to sensitive surfaces such as textiles, carpeting and upholstery, the suitability of the material for the intended application is to be verified through appropriate tests performed by the customer. Only for trade use.

#### Delivery and storage form:

The blaugelb Organic Multi-Clean is supplied in a 1,000 ml bottle with spray head. If stored in the sealed original container at between +2 °C and +30 °C, the shelf life is 12 months.

Storage class (TRGS 510): 12

#### Disposal:

The disposal conforms with the official regulations.

Waste key numbers:

080409 unused product

080411 used product

150110 uncleaned packaging

#### Safety note:

Please note the safety data sheets.
