

The blaugelb Window Handle series FGS 1758 made from aluminium stands for quality window features and timeless design.

Available colours/finishes:

blaugelb Window Handle FGS 1758 lockable RC2

Aluminium window handle for wooden, plastic and aluminium windows.

Product features:

The blaugelb Window Handle FGS 1758 lockable RC2 made from aluminium is notable for its elegance and straight lines, and looks good on every window. According to DIN EN 1627:2011, it is tested to the 6-pin classification system RC1N - RC6. The surface finish imparts the window handle with its colour and rounds off the high-quality overall impression. The window handle with common push cylinder is lockable. It is supplied complete with pre-inserted fastening for the appropriate pin length with 10 mm positioning studs and with one key.

To match the Window Handle series 1758, blaugelb sets (e.g. Lever Handle set DGT35 PZ92 white, Item No. 0423941) are available in the same handle design line, in a choice of colours and versions.

- High-quality, corrosion-resistant aluminium
- With powder-coated or anodised surface finish
- Lockable, RC2 100 Nm
- Attractive and elegant on the window
- Concealed fastenings thanks to pre-inserted screws
