blaugelb Window Handle FGS 90° Shape

Timeless design combined with high-grade stainless steel for wooden, plastic and aluminium window frames.

Product features:

The blaugelb Window Handle FGS 90° Shape made from high-grade stainless steel is notable for its elegance and straight lines, and looks good on every window. Thanks to the substructure with a precision 4-ball detent mechanism, the window handle is always perfectly positioned in relation to the rosette and completes the high-quality overall impression.

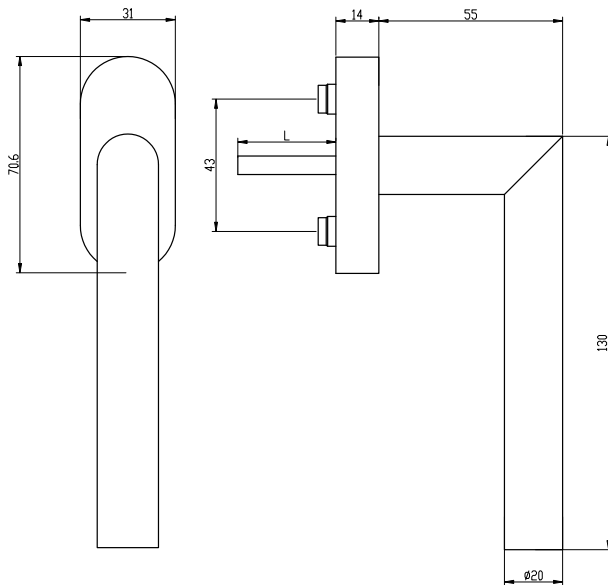

The window handle tested according to DIN EN 13126-3 is supplied complete with pre-inserted fastening for the appropriate pin length and cam sleeve rings 10/12 mm.

Product benefits:

- High-grade materials for durability
- Tested according to DIN EN 13126-3
- 4-ball substructure for precision detent
- Attractive and elegant on the window
- Concealed screws
