blaugelb Balcony Door Handle Set FGS Stainless Steel 90° Shape BGT/NGT

Stainless steel balcony door handle set for wooden, plastic and aluminium balcony doors.

Product features:

The blaugelb Balcony Door Handle Set FGS Stainless Steel 90° Shape BGT/NGT made from stainless steel perfectly complements the blaugelb Window Handle FGS 90° shape on the balcony door. It is notable for its elegance and straight lines, and looks good on every balcony door. The low (flat) lever is specially designed for exterior doors with roller shutters, sun protection, blinds and insect screens.

Thanks to the substructure with a precision 4-ball detent mechanism, the balcony door handle set is always perfectly positioned in relation to the rosette and completes the high-quality overall impression. The Balcony Door Handle Set FGS Stainless Steel 90° Shape is supplied with the fastenings for door thickness TS 67 – 76 or TS 77 – 88.

Product benefits:

- High-grade stainless steel material for long life
- 4-ball substructure for precision detent
- Attractive and elegant on the balcony door
- Concealed screws
