blaugelb Mortise Lock Class 2 WC quiet latch

Suitable for light interior doors with a security aspect.

Product features:

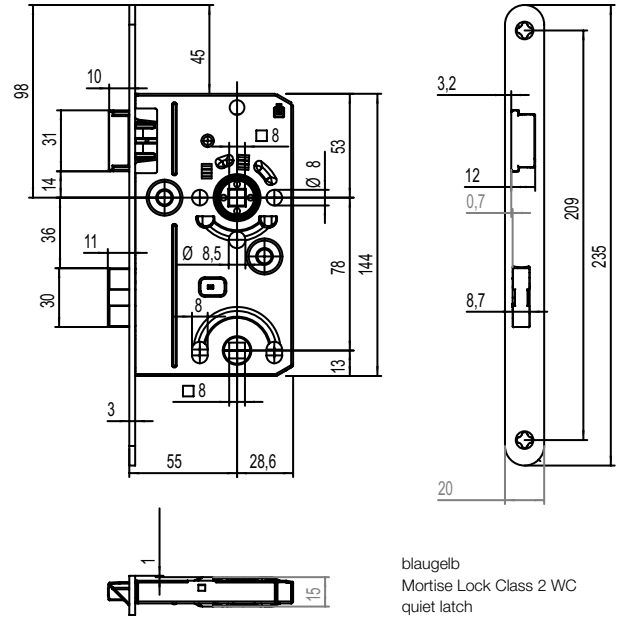

The blaugelb Mortise Lock Class 2 WC quiet latch, classified according to DIN EN 12209, is suitable for light, rebated interior doors and equipped with a bathroom lock, spacing 78 mm. An additional feature of the mortise lock is the quiet latch, which guarantees maximum sound insulation around the lock. The lock case is entirely enclosed, has an 8 mm follower that is mounted in wrought races and a backset of 55 mm. The 20 mm faceplate of the blaugelb Mortise Lock Class 2 WC quiet latch is rounded and in matt stainless steel. The deadbolt is single-turn with a throw of 10 mm.

Product benefits:

- Quiet latch for maximum sound insulation around the lock
- Classification according to DIN EN 12209
- Enclosed lock case
- Follower mounted in wrought races
