

The blaugelb Mortise Locks deliver a reassuring feeling – with security.

blaugelb Mortise Lock Class 3 PZW

For home entrance doors, also suitable for increased security aspects.

- Classification according to DIN EN 12209
- Enclosed lock case
- Suitable for home entrance doors
- Follower mounted in wrought races

Product features:

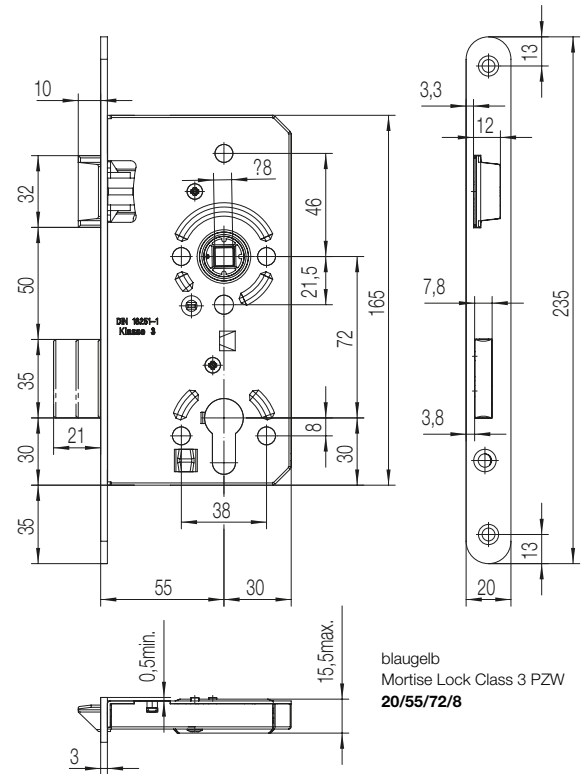

The blaugelb Mortise Lock Class 3 PZW, tested according to DIN EN 12209, is suitable for rebated home entrance doors and prepared for profile cylinders, spacing 72 mm. The galvanised lock case with self-locking cover screws is entirely enclosed, has an 8 mm steel-wing follower that is mounted in wrought races and a backset of 55 mm. The 20 mm faceplate of the Mortise Lock Class 3 PZW is rounded and with a nickel silver coating. The deadbolt is double-turn with a throw of 21 mm.

Product benefits:

- Classification according to DIN EN 12209
- Enclosed lock case
- Suitable for home entrance doors
- Follower mounted in wrought races
