# blaugelb Lever Handle Set ZT/DGT U Shape Class 3

Tested quality for interior doors in the property sector.

## Product features:

The blaugelb Lever Handle Set ZT/DGT U Shape Class 3 is suitable for interior doors with increased demands for the property sector in accordance with DIN EN 1906 and has been tested accordingly. The supplied key rosettes are intended for the areas PZ, BB and WC and, like the lever handle rosettes, also have positioning studs to ensure precise and permanent positioning on the door. The used holding springs guarantee exact positioning of the lever handle.

The attractive, elegant Lever Handle Set ZT/DGT U Shape Class 3 is available in fine matt stainless steel. The set is mounted by means of concealed screws (supplied).

## Product benefits:

- High-quality materials
- Tested according to DIN EN 1906
- Maintenance-free plain bearing and holding springs for precise positioning
- Elegant appearance on the door
- Concealed screws
