

The sturdy, reliable and long-lasting component for your internal doors.

blaugelb Door Part FT20 The solution for rebated doors.

- Conical taper makes it easier to screw the threaded pin in
- Pin with precision-rolled industrial thread

blaugelb Door Part FT20 The solution for rebated doors.

blaugelb

Product features:

The blaugelb Door Part FT20 is a 2-part hinge knuckle. It is nickel plated or made of stainless steel for a longer useful life and for better protection against the wear and tear of everyday use.

The conical taper makes it easier to screw the threaded pin in. The precision-rolled industrial thread also ensures stable mounting.

The blaugelb Door Part FT20 can be combined with the following blaugelb frame parts, making the door hinge maintenance free:

blaugelb Frame Part RT34 WF (for wooden frames) Item no. 0264495, 0264493, 0271402

blaugelb Frame Part RT81 WF Item no. 0278379. 0278380

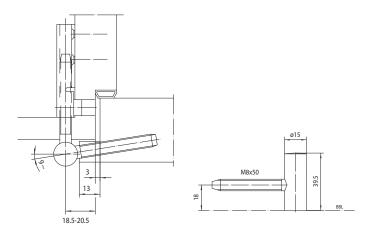

The blaugelb Door Part FT20 is suitable for rebated internal doors.

Product benefits:

- Conical taper makes it easier to screw the threaded pin in
- Pin with precision-rolled industrial thread
