

The blaugelb Security Rosette ZA PZ round is primarily used to protect the profile cylinder in wooden front doors.

blaugelb Security Rosette ZA PZ round

Cylinder cover provides enhanced protection for external doors.

- **Cylinder cover for additional security**
- **Quick and easy to fit**
- **Spring-loaded cylinder cover**
- **Adjustable for cylinder protrusions of 10 to 17 mm**

blaugelb Security Rosette ZA PZ round

Cylinder cover provides enhanced protection for external doors.

Product features:

Made of high-grade case-hardened stainless steel, the blaugelb Security Rosette ZA PZ round comes with an additional cylinder cover and has a fine matt finish on the surface. It is ideal as a reliable security rosette solution for external doors. The rosette can be adjusted so as to be flush with a cylinder protrusion from 10 to 17 mm. It is fastened using two countersunk head screws in pairs with the matching blaugelb Rosette Inside.

The blaugelb Security Rosette Inside matches the following blaugelb article:

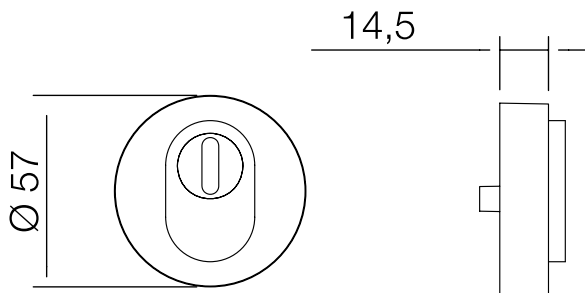

- Security Rosette PZ round 54 x 8 mm (Item no. 9049761)

Product benefits:

- Cylinder cover for additional security
- Quick and easy to fit
- Spring-loaded cylinder cover
- Adjustable for cylinder protrusions of 10 to 17 mm
